

Questions and Solutions

1. Summarization

Question: Summarize the text below in exactly three bullet points. Text: "Remote work has rapidly expanded, introducing both opportunities and obstacles for modern businesses..."

Solution:

- Remote work has expanded rapidly.
- It creates new opportunities for modern businesses.
- It also introduces challenges and obstacles for organizations.

2. Customer Information Extraction

Question: Extract the customer's name, email address, and order ID from the support request: "Hello FlexTime, my name is John Doe (john.doe@email.com). I haven't received my shipment updates for order FT-99881. Please check."

Solution:

- Customer name: John Doe
- Email address: john.doe@email.com
- Order ID: FT-99881

3. Product Price Table

Question: Convert the list of product prices into a markdown table with two columns: "Item" and "Price".

Item	Price
Wireless Mouse	\$25.00
Ergonomic Keyboard	\$70.00
Insulated Water Bottle	\$18.00

4. Professional B2B Email Editing

Question: Rewrite the draft to sound like a professional, polite B2B email sent to a client: "hey, sorry we are late on the report. it had bugs. we will send it tomorrow. thanks."

Solution:

Dear [Client Name],

Please accept our apologies for the delay in delivering the report. We identified and needed to resolve some technical issues during our final review.

We expect to send the completed report by tomorrow. Thank you for your patience and understanding.

Best regards,
[Your Name]

5. Short Summarization with Restrictions

Question: Summarize the sentence below in under 20 words. Do not use the word “help” or “assist”: “Our customer success managers are available 24 hours a day to guide new users and resolve technical account disputes.”

Solution:

- Customer success managers are available 24/7 to guide new users and resolve technical account disputes.
